

GOLDEN WARRIOR

GOLDEN WARRIOR 1986

Camden County Vocational and Technical School Gloucester Township Campus

Many kinds of students make up student body. At Camden County Vocational and Technical School we see this every day. On a pical day we arrive at 8:30 a.m. and head toward our classes. Throughout the school hours, we make the most, or the least, of our education.

The scholar's day is packed with learning as much as possible about the world. It probably begins before and ends long after the bell's ringing. Thinking, exploring and questioning constitute a scholar's quest for excellence.

The tradesman puts his all into learning and perfecting his craft.

Creativity as well as skill allows the tradesman to exercise his talents to the best of his ability. Often putting his shop before all else, the tradesman knows devotion to true craftsmanship.

You can find the leaders of the school giving their free time to make CCVTS a better place. They are the ones who give up lunch, after school hours, and, yes, even some classes to organize and direct others. They take the time and the thought to lead us through organized activities like Student Council or they initiate informal activities such as a basketball game on the blacktop at lunch.

Friends are everywhere. Look around you. See people calling to each other. Look at the anxious faces at the end of the period before the bell rings. Check out the hallways, cafeterias, classrooms and buses. We hear chatter, we see smiles, we see friends.

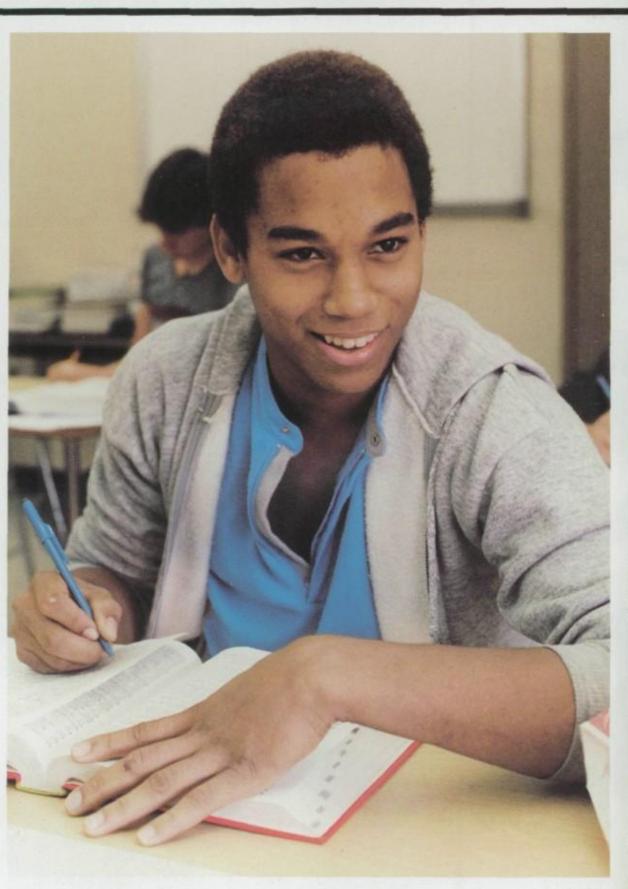

At CCVTS whether you are a scholar, tradesman, leader, friend or any combination of these, you are, we are, an important part of life here. High school is a once in a lifetime experience. Hopefully, these past four years have provided us with many memories and this yearbook has captured some of them.

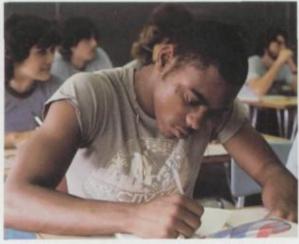

What does being a vocational student mean to you?

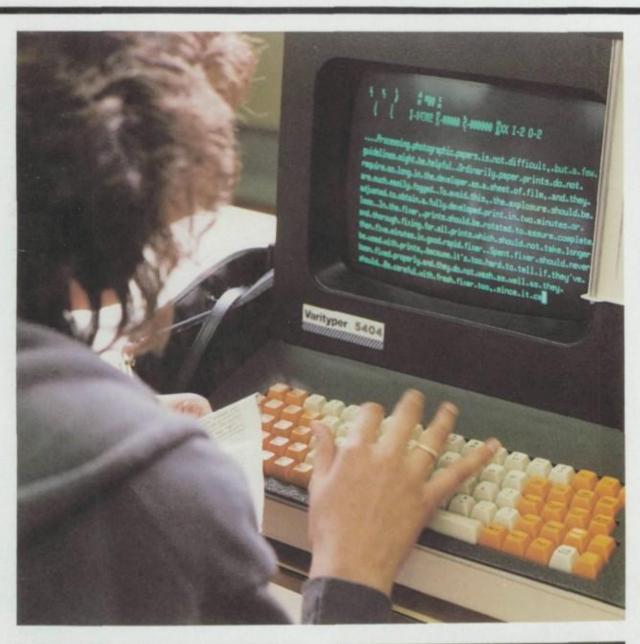

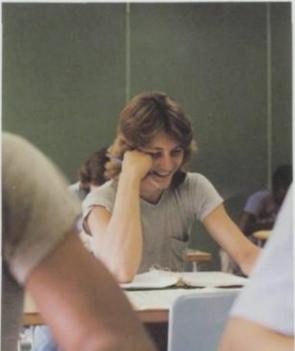

Terrell Williams: "Being a vocational student means knowing more skills than other high school students."

Michelle Sawyer: "... it means being able to plan my future, get a job and make a career out of being a printer."

Jeff Feliciano: "Experience, job experience, instead of just having a high school diploma, you'll have something more."

Warren Watson: "Going to school, learning a trade and responsibility." Stephanie White: "I will be skilled enough to take high responsibilities in a working world."

Inita Thompson: "I'll be able to do my best in my trade and have a bright future for myself."

Dianna Clouser: "Greater understanding of my shop area."

Ana Dones: "A person trying to succeed in life."

Phil Griffiths: "Gives you the opportunity to get a job."

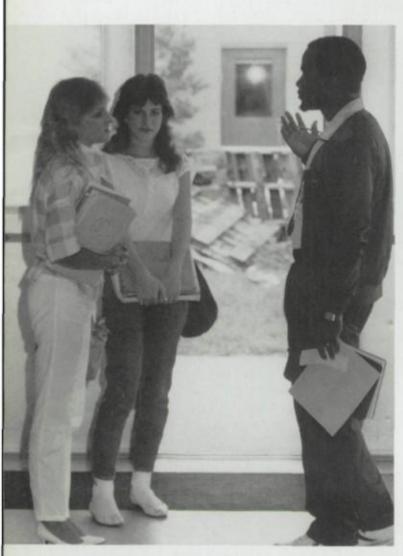

John Blake: "Learning a good trade, having nice teachers and meeting nice people."

Scholar

In the dictionary a scholar is defined as "one who has done advanced study in a special field". When we started our education at CCVTS this is what we wanted. No matter what our race, creed, or color we all strive vigorously for the same thing; not only to be educated, but to be adept in any trade we pursue. Being well-rounded intellectually, physically, emotionally and professionally is what makes the students at CCVTS the superior high school student.

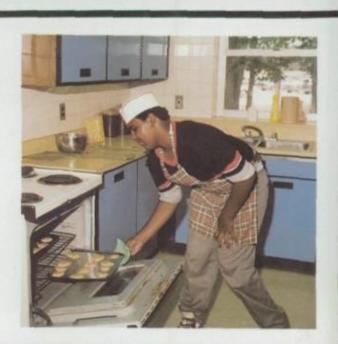

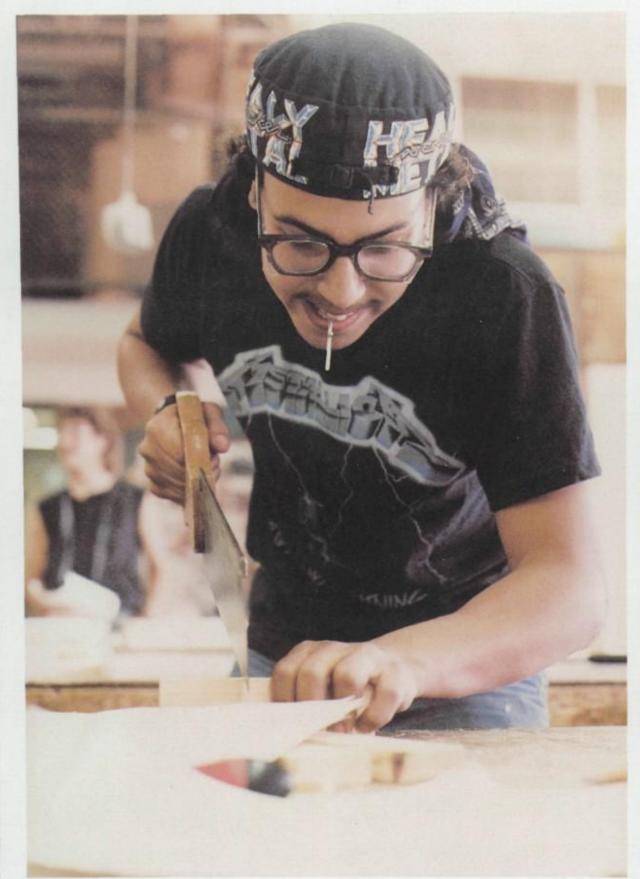

How would you describe yourself as being a tradesman?

Mark Campbell: "I feel I'm a pretty good tradesman since I've been in it

for five years."

Jeffrey Sullivan: "1" m the #@&* best!"

Steven Mark: "I consider myself as

being able to get a job easier."

Heidi Gibbons: "I feel that I am a very good tradesman."

Rich Marchiafava: "Excellent!"

Sean Hayden: "I describe myself as being able to use my knowledge and

talent to the best of my ability."

Adam Brownlow: "I can cut the mustard!"

Bill Eddis: "As a tradesman I feel that Tool & Die is most unique because it's different."

Vicki MacIntosh: "Yeah, I'm alright. I'm O.K."

Joanne Kephart: "I have been conservative of time and money by going to CCVTS."

Tradesman

A tradesman is simply a person who is skilled in his trade. However, it deals more than with just knowing what to do; it is necessary to do it and do it well. As students in a vocational school we come out a step above the rest. By being good tradesmen the students of CCVTS have taken the time to learn a trade, known the dedication necessary to become ever more skilled and used their knowledge, talents and commitment to become more useful and contributing members of the work force.

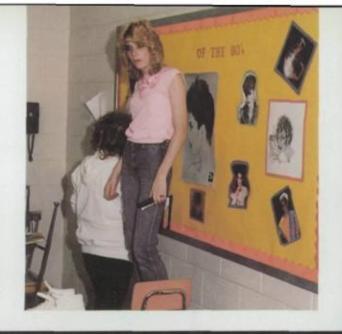

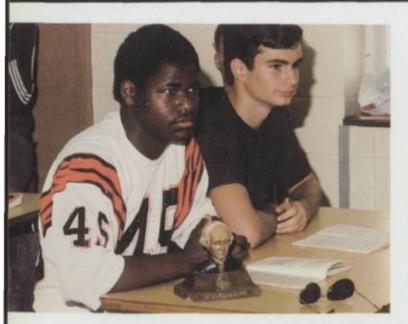

Why do you feel leadership is so important?

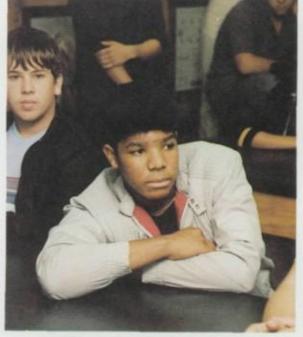

Ron Neiling: "It means taking control of the situation, being the big cheese, the top man."
Sandi Weil: "Take lead, take control, you know, communism."
Glen Elison: "To keep people in hand and make sure they're doing things correctly."

Gina Merritt: "Telling the guy what to do, and if he doesn't do it, he has to answer to the consequences!"

Bob Perrault: "Leadership is like a game, the one with the most money wins."

Lisa Cobb: "Being able to show

others the way to success."

John Adams: "Superiority!"

Danette Pratt: "To make everything better ..."

David Daley: "Question authority

Charles Adams: "People respect

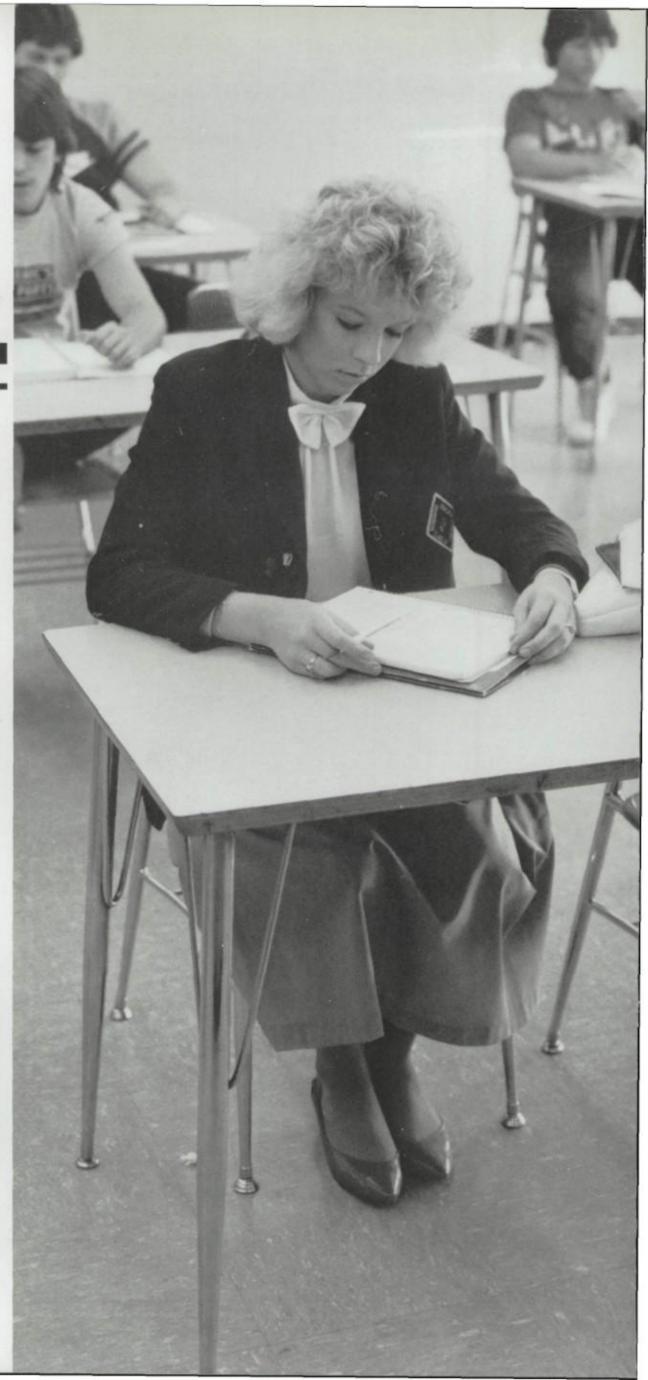

your command."

Leader

Leadership is the principal wheel in human machinery as described in the dictionary. It is the person in control. But leadership can also be described as the person who is most able to help in tough situations. A leader is one who can provide us with the guidance and common sense necessary to achieve a goal. Whether you are a man, woman, or child, leadership can see you through troubled times so that a solution can be determined.

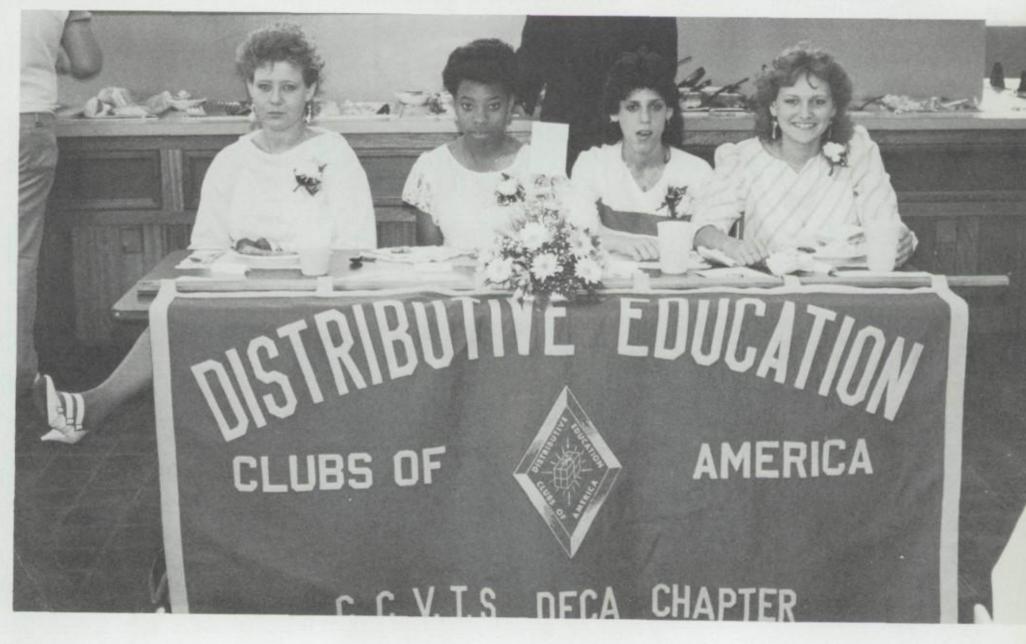

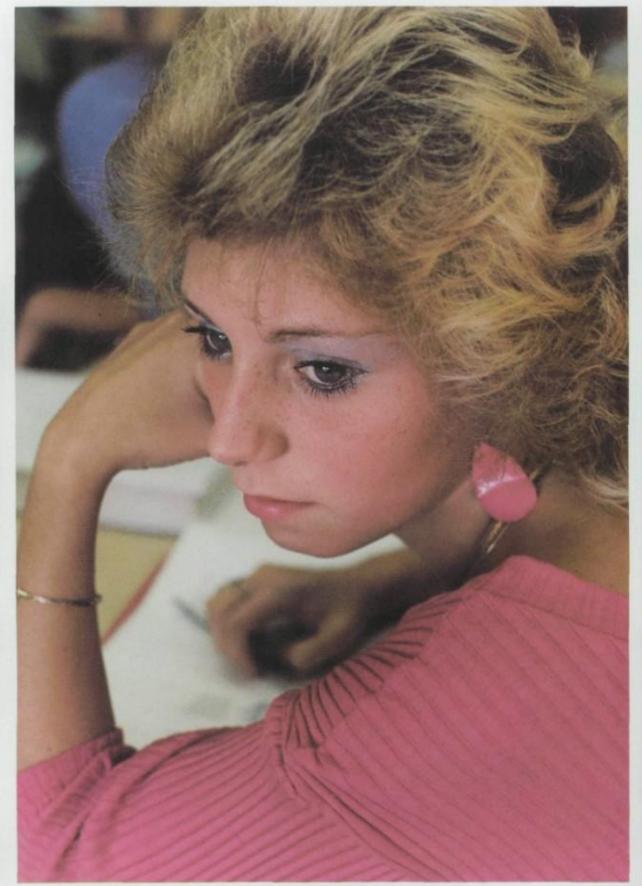

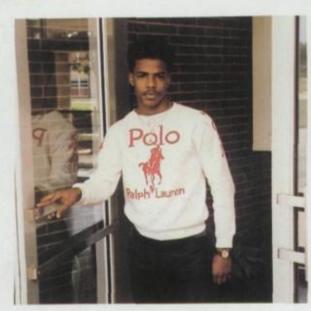

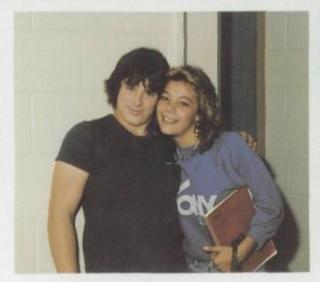

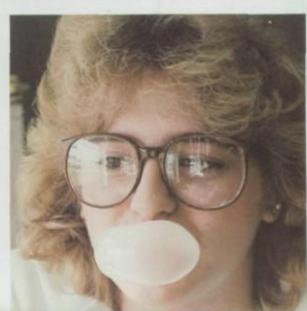

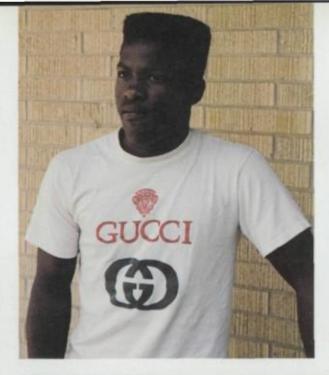

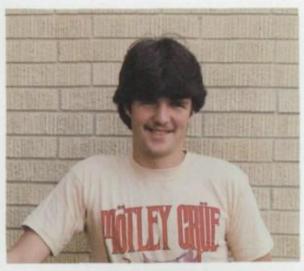

When are friends needed?

Tracy Snyder: "When I'm down, when I'm lonely, and when I'm disappointed."

Michele Escher: "When you need someone to talk to or just have a good time ..."

Bob Barrett: "To give you comfort when you need it."

Dawn Geckel: "Someone that will listen to you when you need to talk."
Tim O'Keefe: "To give advice."

Misha Parker: "They're needed to

carry your books, listen to Barbara Streisand, and take all abuse with a smile."

Jim Fleckinstein: "To help when you're in need."

Andre Mazza: "To take me to school and soccer games."

Tara Carr: "When you need a listening ear and when the chips are down."

James Skerrett: "When I need money."

Friend

Friends are defined in the dictionary as an attachment between people by affection. This affection is constant; it stays through the good times as well as the bad times. Friends are people who are there when you are down and depressed. They are there when you need a shoulder to lean on. But, not only do friends lend you support, they also share. The good times, the laughter, the thrills of life would not mean as much if there was no one to share them with. You know you've found a real friend if there is this bond.

What's In/What's Out

Halley's Comet

- 240 BC oldest definite sighting recorded by the Chinese

Clifford J. Whitcraft

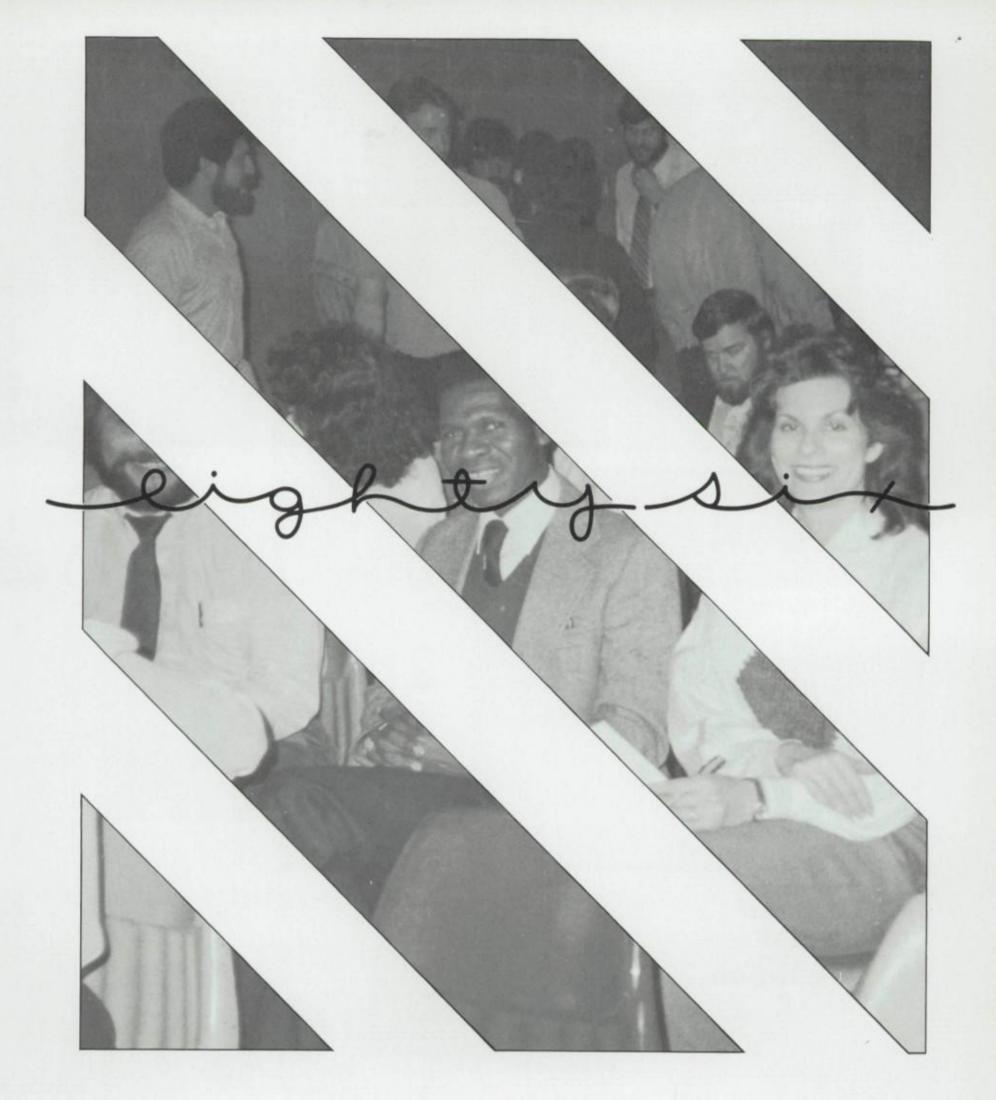

In a world of selfishness and mental laziness, the words "dedicated" and "philanthropist" are seldom used. Yet, when mentioning Mr. Whitcraft; a man adept in his field, someone in which dexterity is explicitly common; such compliments are unable to be withheld.

Born on September 13, 1932 Clifford J. Whitcraft made his home in Atco, NJ. This "kind, sensitive, energetic man" as Mr. Ebbecke described him came to Camden County on September 1, 1976 after graduating from Glassboro State College. From 1976 to 1981 Mr. Whitcraft taught Carpentry shop. There is no exaggeration when Mr. Ebbecke explained how "students respected him not because of his unlimited knowledge but because he was simply a nice person." In 1981 Whitcraft was appointed Assistant Superintendent of Buildings and Grounds. Again his dedication vividly showed through.

The realization of such dedication was noticed by not just administrators, but by teachers and staff as well. A Day School secretary, Mrs. Hartman, expresses how he was "very dedicated to the school, if there was a problem you could call him." Similarly, Mr. Tomassone and Mr. Reagle agree with Mrs. Hartman by saying how "dedicated to the school system" he was.

All that expressed their feelings toward him harmonized concerning his untimely death on December 17, 1985 that he will definitely be missed. And why not! To find someone with such outstanding qualities as Mr. Whitcraft is an incapable task. And as once in a lifetime graduates, we, of course, feel that we must dedicate our yearbook to a person with qualities found only once in a lifetime.

Yes, true philanthropists like Mr. Whitcraft are almost impossible to find.

STAFF

As a member of the Class of 1986, you have many reasons to be proud. You should be proud of the fact that you have graduated from high school, proud of the fact that you have gained training and work experience that should ease your transition into the adult world, and proud of the fact that you have attended a good school. The task before you now is to maintain a healthy, positive attitude toward work and learning and to build upon the training and education that you have received during these past years at CCVTS. Keep an open mind and always be willing to invest in your own growth and development. Best wishes for much success!

R. Sanders Haldeman Superintendent

Your successful graduation from Camden County Vocational and Technical Schools marks a major turning point in your life. Your teachers have provided you with the instructional experiences to develop a cadre of competencies both vocational and academic. The application of these competencies will enable you to recognize and take advantage of those opportunities which may occur "only once in a lifetime."

James O'Hara Assistant Superintendent

Board Of Education

Row 1: William C. Davis. Esq., Edmund D. Bowman, George S. Wilkinson, Gary Bennett, R. Sanders Haldeman, James M. O'Hara, Row 2: Thomas H. Lowers, Maria Pepiak (Vice Pres.), Joseph W. Cowgill, Esq. (Pres.), Nancy Deckard, Dr. Donald E. Beineman (Co. Supt'd of Schools).

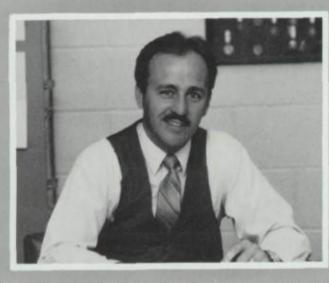

"Once in a Lifetime" is a fitting theme for the graduating class of 1986. Your theme expresses the importance of your high school education. It also represents a time in your life when you transitioned from adolescence to adulthood - a very formative and impressive time in your life. A time you will value and cherish in the years ahead with many fond memories. Your dedication and persistence during the past four years has prepared you for the future with skills and knowledge that are the building blocks for a lifetime. Congratulations and best wishes to the Class of 1986.

Charles Ebbecke Principal

Your yearbook theme "Once in a Lifetime" has been reflected many times in song and verse evidencing an attitude of hopeful anticipation of good things to come, successes, achievements, and peaceful contentment. These expressions of dreams and wishes can for some be a reality. Those of you who will take the talents and knowledge that have developed in your time at CCVTS and go out and make a positive contribution to your fellow man, community, and society will realize what is implied by "Once in a Lifetime." Best wishes and good luck in your future life.

John Troxell Director Of Special Needs

If one were to coin a phrase, one could say, You've had a Once In A Lifetime Opportunity! An opportunity to acquire the manual and academic skills needed to succeed in all your future endeavors and challenges. Some of you reached out and also focused your energies in various extracurricular activities. So in closing, I'll leave you with a very simple saying that helped me succeed and maybe, just maybe, you'll also profit from its meaning, "If it is to be it is up to me!" Congratulations, God bless, much success and somewhere in your heart never forget CCVTS, ... we'll remember you, always!

Cross Country Strides For Pride

Row I: D. David, F. Maiorano, S. Karwacki, I. Maldonado, T. Turrell, Row 2: Mr. Dobbins, A. Frazier, J. Skerrett, S. Karwacki, S. Carter, K. McCann, D. Spencer, K. Armstrong.

Running 3.1 mile races through the woods, the Cross Country team compiled its best record in many years. With a record of 13 wins and 11 losses the runners did well in their first year of Olympic Conference competition.

Senior Captain Steve Karwacki set a school record of 16:33, took second place in the state meet and also won the team's Most Valuable Runner Trophy. Sophomore Art Frazier garnered the Rookie-of-the-Year award. The Coaches Award went to runner Darryll David.

With only the loss of Steve Karwacki due to graduation, the team and Coach Dobbins hope to improve their overall record and win the State Vocational Meet next year.

Mr. Chabrol is the coach for the Varsity soccer team. This year the team moved into a very tough league, the Olympic Conference. The players in this league have a lot more skill than our players have. So unfortunately it was a very long and hard season for them. Half way through the season Mr. Chabrol changed the defense and the scores started to get respectable.

The team showed a major sign of improvement when they played against Edgewood. The first time they played they lost, but the second time they tied. It was a great improvement for the team.

The one bright note of the season was when the team made it to the semi-finals of the Vocational Tournament.

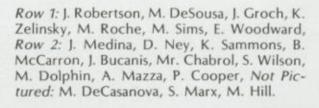

The Most Valuable Player Award went to Kurt Zelinsky.

Coach Graisbery and the JV team played a total of 18 games. Their best game was against Paul VI and their hardest game was against Mt. Holly Vo-Tech. The Most Valuable Player Award was presented to Mike Skibbie.

The Freshman soccer team and Coach McMillen played 14 games with Cherry Hill East and Washington Township being their toughest games. MVP was Brian Wilson with John Madden receiving the Coaches Award.

Soccer: Bright Future Ahead ...

Mr. McMillen had five of his lettermen back this year: forwards Patric Cooper and Marc Hill; center Ken Allen; and guards Alvin Harrold and Miguel Hurt.

guel Hurt.

Coach McMilllen is hoping that there will be a better show of young men that will be interested in trying out for the team next year.

The JV team coached by Mr. Wert began their season with a game against Cherry Hill East. Although the team did not have a good start they improved tremendously as the season went by. The members of the team are very dedicated and are determined to do their best.

Basketball: On Guard And Going Forward

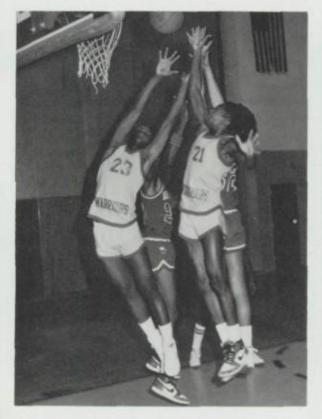

Row 1: M. Hill, E. Kirkland, M. Hurt, A. Harrold, Row 2: K. Armstrong, P. Cooper, J. Griffin, K. Carver, W. Redd, Coach McMillen.

This year the wrestling team had a rough year. The team's record was 2-14-1. Mr. Schafer who has been coach for two years said that the team has improved over the year. They have moved from sixth place in the tournaments to third.

Next year Coach Schafer would like to improve their records again and develop team members into .500 wrestlers. He would also like to win the State Vocational Tournament.

Coach Sollenberger of the JV team says the team member.

Coach Sollenberger of the JV team says the team member with the best record is Wayne Smith. The main goal for next year is to have more individual improvement.

Wrestling: Power, Pain, Pins

Shooting For Higher Standards

Row 1: Capt. T. Beale, N. Boyd, T. Terrell, C. Gorales, P. Porter, E. Dominquez, Row 2: Coach Dobbins, S. Harris, K. Donato, J. Rojo, C. Burger, A. Perez, B. Loveland, L. Ortiz, T. Alicea, Coach McMillen.

Returning letterwomen were Tawanda Beale, Nicole Boyd, Terri Alicea, Karen Donato, and Aida Perez. These experienced players helped guide the Girls' Basketball team through a strengous season

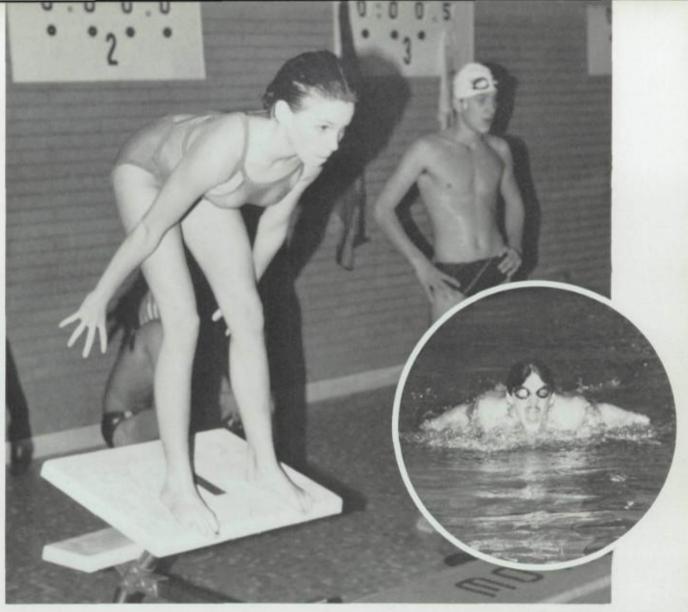

team through a strenuous season.
Head Coach Dobbins was very pleased with the team's performance; they did their very best. According to the Coach they did real well in the Conference games. It was not a disappointing season for the girls.

Both Dobbins and Assistant Coach Kate McMillen believe the girls have a lot of talent. With only senior Tawanda Beale leaving there is much to look forward to in the upcoming season. They are going to be even better.

Swimming To Succeed

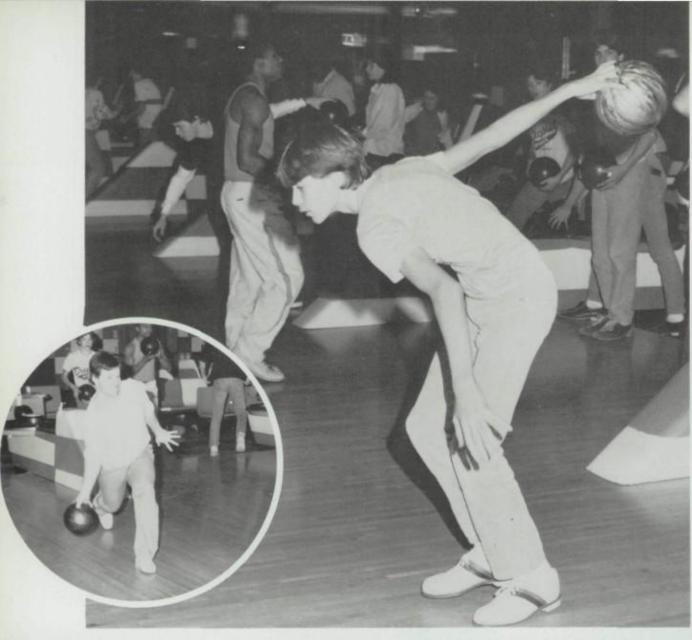

Row 1: K. Rutter, R. Grover, J. Johnson, M. Farmer, J. Schaurers, M. LaMalka, G. Townsend, Row 2: D. Juliana, K. McCulley, J. Madden, R. Casmer, R. Weilke, K. Clark, K. Hennessey, J. Cepeda, Row 3: Coach Adamson, J. Woessner, S. Weber, S. Reardon, D. Ney, J. Medina, R. DiDonato, B. Ricks, T. Wilson, M. Wilson, K. Sammons, Coach Sheridan.

The Swim team this year was a mix of veteran flippers and relative newcomers to the world of swimming. Led by seasoned coaches Barry Adamson and Sheryl Sheridan the team took to the pool as fish take to water.

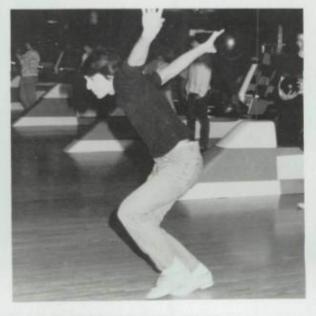

Faced with some rather stiff competition the swim team tried their very best to overcome the odds. Their first opponent was Gateway Regional High School and the Warriors kept up the pace until the last splash settled.

With more practice and dedication the team hopes for an even better swim season next year.

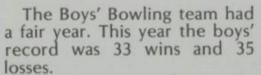

Strikes, Spares, Make It The Pin

Coach Jensen said that the team has improved over the season. They have done this in two ways. They are: the bowlers are more consistent than in their previous year and there are better bowlers on the team.

One such bowler is Dan Galiano. He was the team's highest average bowler with 154 pins. He also had high series average with 171 pins

average with 171 pins.

Scott Boggs had the JV high game with 212 pins for the entire season in the Olympic Conference.

Row 1: L. Mortimer, S. Ulmer, S. Phillips, A. Houghton, Row 2: D. Feaster, D. Dilks, R. Golden, C. Ruffin, C. Cimino, G. Merritt, Capt., Coach Osborne.

The Girls' Bowling team had a pretty good year. Both Varsity and Junior Varsity had more games won than they lost. This year's Varsity record is 37-35 while the JV record was better at 55-17.

Colleen Cimino is the highest

average bowler with 142 pins.

Mr. Osborne said that the team has improved over the past year. Their scores have improved greatly and their standing in the league has improved also. The league was much tougher this year and the girls found very competitive action.

Coach Ósborne would like to win at least two-thirds of their games next year and also regain their spot as the top girls' vocational team.

To The Class Of "86"

It's very hard to say Good-bye, to those we've grown with side by side.
To friends we've made in 4 short years, to memories we'll hold so dear.
Now that it's time to graduate the Class of ''86'' was GREAT!
We'll leave in smiles and not in tears, we'll keep in touch over the years.
